

Modify the chosen Implementation so it can launch with near-zero new spending.

What do you cut, reuse, or partner to cover costs?

ACTION

A large teal graphic element that resembles a stylized letter 'L' or a speech bubble tail, positioned on the left side of the page. The word 'ACTION' is centered within the upper rectangular portion of this shape.

**ACTION**

Add a concrete safeguard that protects minority voices in the chosen Implementation.

ACTION

A large teal graphic element that resembles a stylized letter 'L' or a speech bubble tail. It starts as a wide horizontal bar and then tapers into a diagonal tail pointing towards the bottom right corner of the page.

**ACTION**

Integrate the chosen Implementation into channels or tools residents already use (website, library, community center, phone).

**ACTION**

A large teal graphic element that resembles a stylized letter 'L' or a speech bubble tail. It starts as a wide horizontal bar and then tapers into a diagonal tail pointing towards the bottom right corner of the page.

**ACTION**

Bring one external partner (school, NGO, library, local business) into the chosen Implementation.

What role do they take, and how does this expand reach or trust?

**ACTION**

A large teal graphic element that resembles a stylized letter 'L' or a speech bubble tail, positioned on the left side of the page. The word 'ACTION' is centered within the upper rectangular portion of this shape.

**ACTION**

Take 3 new cards from the Implementation deck and think how to combine them with each other and with the chosen Implementation where possible.

**ACTION**

A large teal graphic element that resembles a stylized letter 'L' or a speech bubble tail. It starts as a wide horizontal bar and then tapers into a diagonal tail pointing towards the bottom right corner of the page.

**ACTION**

Combine any two  
chosen  
Implementation cards  
on the table into a  
single version.

ACTION

A large teal graphic element that resembles a stylized letter 'L' or a speech bubble tail. It starts as a wide horizontal bar and then tapers into a diagonal tail pointing towards the bottom right corner of the page.

**ACTION**

Choose any  
Implementation on  
the table and modify  
one feature of it.

ACTION

A large teal graphic element that resembles a stylized letter 'L' or a speech bubble tail. It starts as a wide horizontal bar and then tapers into a diagonal tail pointing towards the bottom right corner of the page.

**ACTION**

Take your chosen Implementation card and modify it to strengthen the priority Values.

ACTION

A large teal graphic element that resembles a stylized letter 'L' or a speech bubble tail. It starts as a wide horizontal bar and then tapers into a diagonal tail pointing towards the bottom right corner of the page.

**ACTION**

Forget the chosen  
Implementation cards.  
Present your own  
brand-new solution  
aligned with the  
Problem and top  
Values.

ACTION

A large teal graphic element that resembles a stylized letter 'L' or a speech bubble tail. It starts as a wide horizontal bar and then tapers into a diagonal tail pointing towards the bottom right corner of the page.

**ACTION**

Take postcards named “Glimpse of the Future”. Look at them and discuss together. Use them as inspiration to adjust a chosen Implementation.

ACTION

A large teal graphic element that resembles a stylized letter 'L' or a speech bubble tail. It starts as a wide horizontal bar and then tapers into a diagonal tail pointing towards the bottom right corner of the page.
