

STORYBOARD

DESCRIPTION:

With the Storyboard, we can see how our in-
novation would be used and lived by the
future citizens.

By using pictures and words you can tell us
the story of how your idea works.

RECOMMENDED TIME TO COMPLETE:

50 minutes – Break – 40 minutes

GUIDELINES

- 1. As a group, come up with **a story** or case **where your innovation is used.**
- 2. **Narrate your story visually** using the each quadrant of the board for one moment. **You can use the cameras to take pictures or if you prefer you can draw.** Add a small title or description of what is happening on to your picture.

BREAK

- 3. **Use the color Post-Its and the Story-cards to add detail to your storyboard:**
 - Use **Blue Post-Its** for the **Characters**
 - Use **Pink Post-Its** for their **Goals**
 - Use **Green Post-Its** for **Community**
 - Use **Purple Post-Its** for the **Tools & Props**
 - Use **Yellow Post-Its** for the **Roles**
 - Use **Orange Post-Its** for the **Rules**
- 4. **See if there is something missing or that could be improved in your story. Take this opportunity to come up with more ideas.**
